

DARTMOUTH ROYAL REGATTA SAILING WEEK

July Update – Early bird discounts, NoR Amendments, and a change of schedule for the White Sail Event

26th July 2021

With much talk in the media about the "pingdemic", we have amended our **cancellation policy** for all races and informal competitions. A refund (or carry forward to next year) will be available to any competitor having to withdraw at short notice due to a positive Covid test or an official requirement to self-isolate. We hope this will enable you to get your entry in with confidence - please see <http://www.dartmouthsailingweek.com/Race-documents> for details.

For the Yacht Series, we are also pleased to confirm that the **Sailing Instructions** will, as in past years, be available as a printed booklet, also containing much other useful information. This can be collected from RDYC, but for those who prefer not to come to the club in person, a version suitable for home-printing will also be available to download.

The main Regatta committee have announced that the Mayflower Parade will take place on the afternoon of Saturday 28th. We have decided to swap the two days of our **White Sail Event**, which will make it easier for those also wishing to take part in the Mayflower Parade. So on **Saturday** boats will take part in our light-hearted Cruising Skills competition, starting any time after 08:30 with a maximum of 5 hours on the water, and judging on the RDYC terrace later in the afternoon. On **Sunday**, boats will sail a fixed course, noting their own start and finish times. For more information, please see <http://www.dartmouthsailingweek.com/single/white-sail-events> and <https://www.dartmouthregatta.co.uk/mayflower-river-parade>

And finally, a reminder that Advance Registrations should now be confirmed, and that the early-bird discounts will end on Saturday, so get your entries and payments in before the end of the July to take advantage! For help or advice on submitting an entry see <http://www.dartmouthsailingweek.com/how-to-enter> , or go direct to the online entry system <https://webcollect.org.uk/dartmouthsailingweek>.

If you submitted an Advance Registration (and if you can't remember, **please check** at <http://www.dartmouthsailingweek.com/entries> - code "A" in the "Selectors" column), just click on "Conversion.." at the top of the list of entry forms. **If you haven't registered, please click on the event you want to enter, and NOT on Conversion!** Thank you.

With best wishes
